- 2.2 Section 65 of the Municipal Finance Management Act states that the Accounting Officer of a municipality is responsible for the management of the Expenditure of the municipality and must for this purpose take all responsible steps to ensure that the municipality has and maintains an effective system of expenditure control, hence this policy.
- 2.3 The Accounts Payable Policy document serves to support the concept of cost containment and control measures necessary within Accounts Payable.
- 2.4 Further it is deemed:
 - an information document that ensures that the users of the Accounts Payable service have an understanding of what is required.
 - A working document to make Accounts Payable processes more effective.

3. DESIRED OUTCOME

- 3.1 The main desired outcome of this policy is to ensure the City's compliance with Section 65 (2) (e) of the MFMA which requires that the Accounting Officer must take all reasonable steps to ensure: -
 - That all money owing by the municipality is paid within 30 days of receiving the relevant invoice or statement, unless prescribed otherwise for certain categories of expenditure.

- Further, to comply with all applicable provisions of MFMA including any National Treasury Circulars/Guidelines specifically adopted by Council in terms of MFMA.

4. STRATEGIC FOCUS AREAS (INTENT)

- 4.1 The **City's** Integrated Development (**IDP**) 2017-2022 sets out the journey in which the organization ought to function in order to improve and excel in service delivery as well as the City's other legislative mandates. One of the key refinements that the newly-elected Council approved as part of its **Organisational Development and Transformation Plan (ODTP)** is the role of strategy and the need for improved strategy led decision-making within the City. This will improve the realisation of 11 identified key **ODTP** priorities by ensuring that resources are allocated more strategically.
- 4.2 This policy supports the following priorities:
 - Excellence in **Basic Service Delivery**
 - Leveraging **Technology** for progress
 - Economic Inclusion
 - Operational **Sustainability**
- 4.3 These priorities endeavor to help making the City both inclusive and customer-centric.

- 10.1 This policy framework is important for the Financial Compliance of the City. It provides an all-inclusive administrative procedure for the management of Accounts Payable.
- The revised Accounts Payable Policy shall be implemented once approved by Council.
 - Directorates must ensure that during implementation stages of the policy, there is consistent monitoring and evaluation of the policy as indicators will prevent blockages within the policy implementation phases.

ANNEXURE A

ELECTRONIC DATA INTERCHANGE (EDI'S)

The following basic requirements are in place as per the VAT Act and more detailed information is available on the VAT 404 Guide for Vendors, the Electronic Communications and Transactions Act.

The City of Cape Town will accept Tax invoices in an electronic format under the following conditions:

- **Transit Security:** In order to be valid and to ensure a tamper free document, the transmitted document must use an **encryption key of at least 128 bits or contain an electronic signature**. The worldwide standard for sharing encrypted or digitally signed documents is the **PDF** format. The recipient must have the means of decoding the document.
- **Secure Transmission:** The electronic Tax invoice must be sent over a secure line, the process of communication and delivery must also be secured by means of a 128-bit encryption, this will be indicated by "**https**".
- The electronic invoice will be treated as the **original invoice** and any copies must bear the words "**copy tax invoice**".
- The biller and the recipient have to keep documents in a readable and encrypted format for a **period of five years from the date of issue**.
- The format of the electronic invoice does not have to mirror the paper invoice, as long as the electronic invoice covers the mandatory information.
- The same logic can be applied to credit notes, debit notes and statements.

Mandatory information required on an electronic Tax invoice:

- The name, address and VAT registration number of the biller.
- The name and address of the customer.
- A unique invoice number.
- The date.
- A description of the goods/services supplied.
- The number of units, mass or volume of goods supplied.
- The amount due and the VAT charged, or
- A statement that VAT is included in the price, as well as the rate of VAT charged.
